

PUGET SOUND MYCOLOGICAL SOCIETY BULLETIN

BULLETIN NO. 10

MARCH 1965

ANNUAL MEETING

The Society will hold its First Anniversary Annual Meeting with a dinner the evening of March 15 at Ruby Chow's Restaurant, Broadway at Jefferson Street. Social Hour will commence at 6:00 pm. Our guest speaker will be Dr. Angelo Pellegrini, noted gourmet and author. Details were given in the February Bulletin, which also included a reservation form. Cut-off date for reservations will be March 8th, with a limit of 160 persons. As of March 1 we have received 138 reservations, which are hereby confirmed. For last minute reservations, you may assume confirmation unless you are notified otherwise.

ELECTION

Ballots are enclosed for all members of record as of February 28th. They must be returned early enough to be in the hands of the committee on March 15th to be counted. If you mail them, send to the office at the Pacific Science Center. Those coming to the Dinner can bring them in person.

The committee decided not to attempt to write a resume for each candidate, as had been planned. It was deemed impossible to write an impartial description of each person. Perhaps next year we can enlist the services of the Municipal League. For this time vote for those you know or names that you like. Space is provided for write-in candidates. All persons nominated are eminently qualified and actively interested in serving the Society.

Note that the February Meeting ratified the By-Laws Amendment to increase the number of Trustees to ten. This will give us a broader base for expanding our activities and programs.

KITCHEN RECIPES

The Society has reproduced a book of recipes published by the San Francisco Mycological Society which will be mailed to all members with the April Bulletin. It is a fine collection to which we can probably add in the future.
